THE

MARINER

Published by
The Class of 1966, New Bedford Vocational High School

Foreword

Our past years at Vocational High School have been filled with the brightness of knowledge and with sincere friendship. As we cross the stage on the evening of graduation, to receive our diplomas, we shall be deep in the thought of the pleasures of the past. Our only regrets are that we shall have to depart from the best four years of our lives and from the finest people we shall meet in our lifetime.

Our greatest thanks go out to the members of the faculty and to those who took part in the molding of our characters and our minds.

In 1856, when a statue of Benjamin Franklin was unveiled in Boston, the principle speaker said:

> "Behold him, ye that are humble and poorest in present condition or in future prospect, — lift up your heads and look at the image of a man who rose from nothing, who owed nothing to parentage or patronage—but who lived to stand before kings—"

To this very fine graduating class of 1966 I commend the above remarks for your thoughtful consideration. Your horizons are limited only by your aspirations. Make your time count — be willing to work hard, and always strive to be a doer and not an onlooker.

"Do not squander your time, for that is the stuff life is made of," makes as much sense today as when Benjamin Franklin first uttered it.

This class has been a good class — It truly typifies the maturity — responsibility and preparation for adulthood so necessary today. I feel you are a credit to all of your teachers.

The Board of Trustees — the faculty — staff and administration join me in wishing you a happy and purposeful life.

To: The Senior Graduation Class of 1966.

What advice can I offer to you all that has not been said many times by your Director Mr. Z. Walter Janiak. However I do hope you will endeavor to improve each opportunity, and realize more and more the importance of the education you have received.

Pleasant memories, and kindest regards.

FACULTY

DEDICATION

Mrs. Grace Jeffery

The 1966 Senior Class of New Bedford Vocational High School takes great pride in dedicating our yearbook, the Mariner of 1966, to Mrs. Grace Jeffrey. We recall her unfailing assistance and co-operation during our four years at Vocational High School.

We hope that the coming years will bring her fulfillment in success and happiness.

DEDICATION

Mr. Harry Kummer

The 1966 Senior Class of New Bedford Vocational High School is proud to dedicate this yearbook, the Mariner, to an outstanding person and coach, Mr. Harry Kummer. We recall the wonderful football victories of 1965, thanks to the fabulous coaching of this fine person.

We hope his future years at Voke will be as happy and as successful as his past years.

Football

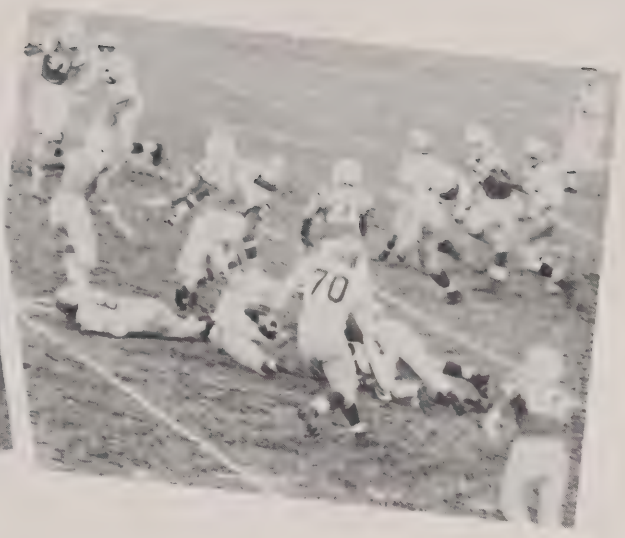
The opening game of the 1965 Football Campaign was far from impressive, losing to Durfee 30-0, but hopes skyrocketed when Voke came back strong to beat a stubborn Coyle team 7-0. The next week out the Artisian eleven put up a courageous battle in losing to a powerful Attleboro team 24-14.

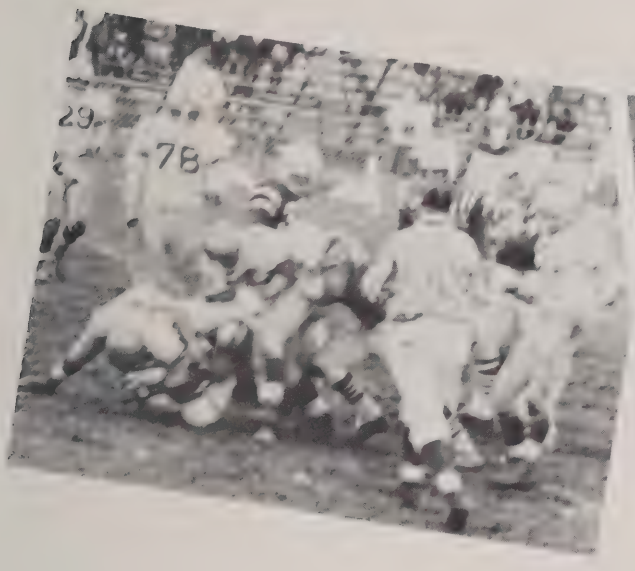
The high point of the season came when Voke maneuvered a sensational 14-12 upset victory over Stang High.

In the next four games of the campaign the boys were dealt successive losses by Taunton 13-7, Feehan 18-0, North Attleboro 32-0, and Fairhaven 12-0, yet in victory and defeat these lads showed tremendous courage and determination against all odds on the football field.

Playing their last season for Voke were: S. Orlowski, D. Richard, J. Howard, B. Gonsalves, J. Sheets, J. Gonsalves, J. Oliveira, K. Soares, P. Kuliga, T. Chryzanowski, D. Gananca, R. Espindola and D. Calnen.

Although losing 13 Seniors, the future years of Vocational football loom to be bright ones, for the guiding hands of coach Harry Kummer and his coaching staff are doing a fine job.





Basketball

The 1965-66 basketball team, lacking height, came back for its second year, as a challenge to all Bristol County League Basketball Teams.

Seniors on the team are: Rene Pothier, Ken Soares, Dave Loveridge, and manager George Wortham. The coaching staff consists of Mr. Edward Lowney (head-coach) and Mr. Walter Siwik (assistant-coach). At the close of the season the team had a record of: Won 6 — Lost 10.

The Basketball Schedule

Stang — lost — 56 - 62
North Attleboro — won* 75 - 65
Taunton — won* 59 - 49
Attleboro — lost — 43 - 67
Fairhaven — lost — 48 - 51

Baseball

The Voke baseball team of the 1965 season was an experiment. Consisting of freshmen and sophomore ball players, the team had a small nucleus. The year was spent developing these players for the next season.

Seniors on the team were Ray Chevalier, Ken Soares (capt.), Jim Howard, and Rene Pothier. The coach was W. B. Norton and assistant coach was R. Simmons. The team ended the season with a 8-9 record.

The Baseball Schedule:

Feehan — won — 8-2
Fairhaven — lost — 2-3
Durfee — lost — 8-1
North Attleboro — won — 2-0
Attleboro — won — 4-3
Coyle — won — 8-7
Stang — lost — 2-6
Tabor — won — 9-8
Taunton — lost

Feehan — lost — 4-5
Fairhaven — lost — 1-2
Durfee — lost — 2-8
North Attleboro — won — 6-7
Attleboro — won — 8-4
Coyle — won — 6-2
Stang — lost — 1-4
Taunton — lost — 4-7

Other members of the team include: J. Godwin, R. Pinette, G. Rebeire, J. Quintal, H. Watson, A. Travers, D. Sherman, J. Roderiques, R. Wilber, R. Torres, N. Simpson, D. Oliver, and manager J. Lopes.

It is expected that the Vocational baseball for 1966 should be even more promising.

Soccer

With Captain Ted Misiaszek at the helm and Mark Smola, Rene Pothier, Mike Wood and John Lima's outstanding efforts, New Bedford Vocational High School was able to present tremendous teamwork and spirit to all comers. Though failing to gain the league championship, the team has nothing to be ashamed of because of its sportsmanship on the field.

Coach Ken Pearson's N.B.V.H.S. booters topped Wilbur High 2-0 at Brook Field in their first game of the season. This victory was soon followed by defeating Westport and Diman Vocational of Fall River, whom we defeated by a score of 2-0 in a Bi-State Soccer League game at Ruggles Park, Fall River. In addition to this the team was also able to tie in three other contests which aptly testifies to their dogged determination and fighting heart.

All in all, when a team can display the qualities they did in this past season of play; it can be said that it was truly a "championship" year.

Track

Once again this year the track team has the privilege of being ably coached by Mr. Francis Holt. Coach Holt can be called and justifiably so, one of the pillars of New Bedford Vocational High School and one of the finest men of character to have ever walked its halls and coached upon the field. With his shock of snow white hair and kindly sternness, with his many opportunities to have gone to perhaps more promising fields, Mr. Holt has shown over and over again the faith in the kind of boys we have here at vocational, and the fidelity it takes to make a great institution.

The track team itself, under the direction of Mr. Holt, has progressed considerably and is looking forward to a very fruitful year. The team lacks experience as there are only two boys back from last year, but the newcomers are all learning quickly and we can expect to have a rather strong team by the time the spring season comes along.

Time will certainly tell if all those wintry practices after school on the board track and the one or two weekly track meets being performed prsently bear fruit; we think they will.

Golf

Although our golf team was not too successful last year, the team will return with all seven of its players from last season plus any newcomers who are willing to try out.

Last year our seven players were Neil Allison, the captain, A. Klecha, G. Jackson, R. Hart, P. Baccelli, T. Leonardo, and P. Ziemba. The best showing of the season was a tie against Taunton High School.

This season should prove to be very rewarding with most of our opposition losing their best players to graduation last year.

All our luck goes to Coach Bettencourt who has done a fine job in the past.

Girls' Basketball

Basketball Intramurals is an activity directed by Miss Silveira. Anyone who is interested may participate. The teams meet once a week, on Friday, to play their games. The teams played each other and the advisor presented a trophy to the team who lost the fewest games. Three captains were chosen by the girls and the captains chose and coached their teams.

The members of this year's undefeated team were: Captain Georgiana Silva, Josephine Conceicao, Cynthia Diniz, Linda Grace, Ann Lomba, Natalie Martin, Darlene Mendes, Linda Pina, Lynne Rocha, Norma Roberts, Liana Silva, and Sandra Texeira.

Shop League

Left to Right: Holding Team Trophy, E. Espinola, S. Cassidy, Mr. Z. Walter Janiak, W. Carron, J. Nightlinger, P. Blanchard, A. McCartney, W. Gonsalves, R. Brodeur, J. Medeiros, J. Newsham, B. Gonsalves, D. Plant, Mr. Prastek, T. Bibby, Mr. Gabriel.

SHOP-LEAGUE SOFTBALL CHAMPIONS OF 1965

Drafting and I. D. won 5 games and lost none. The championship game was played against Carpentry with the Drafting and I. D. combine defeating them by a score of 7 to 4. Odds are that the same two teams will meet again this year with Drafting and I. D. hoping for the same results.

MR. LORENZEN

Upon leaving Vocational High Mr. Lorenzen was presented a trophy desk set by the football squad of 64-65. In his two years at Voke he taught English and History; he was also assistant football coach. In transferring to Fitchburg State Teachers College he will teach Art.

CAFETERIA STAFF
& CUSTODIANS

Nursery School

Play School Experience with four-year old children is offered to girls in the Household Arts Department in the eleventh grade.

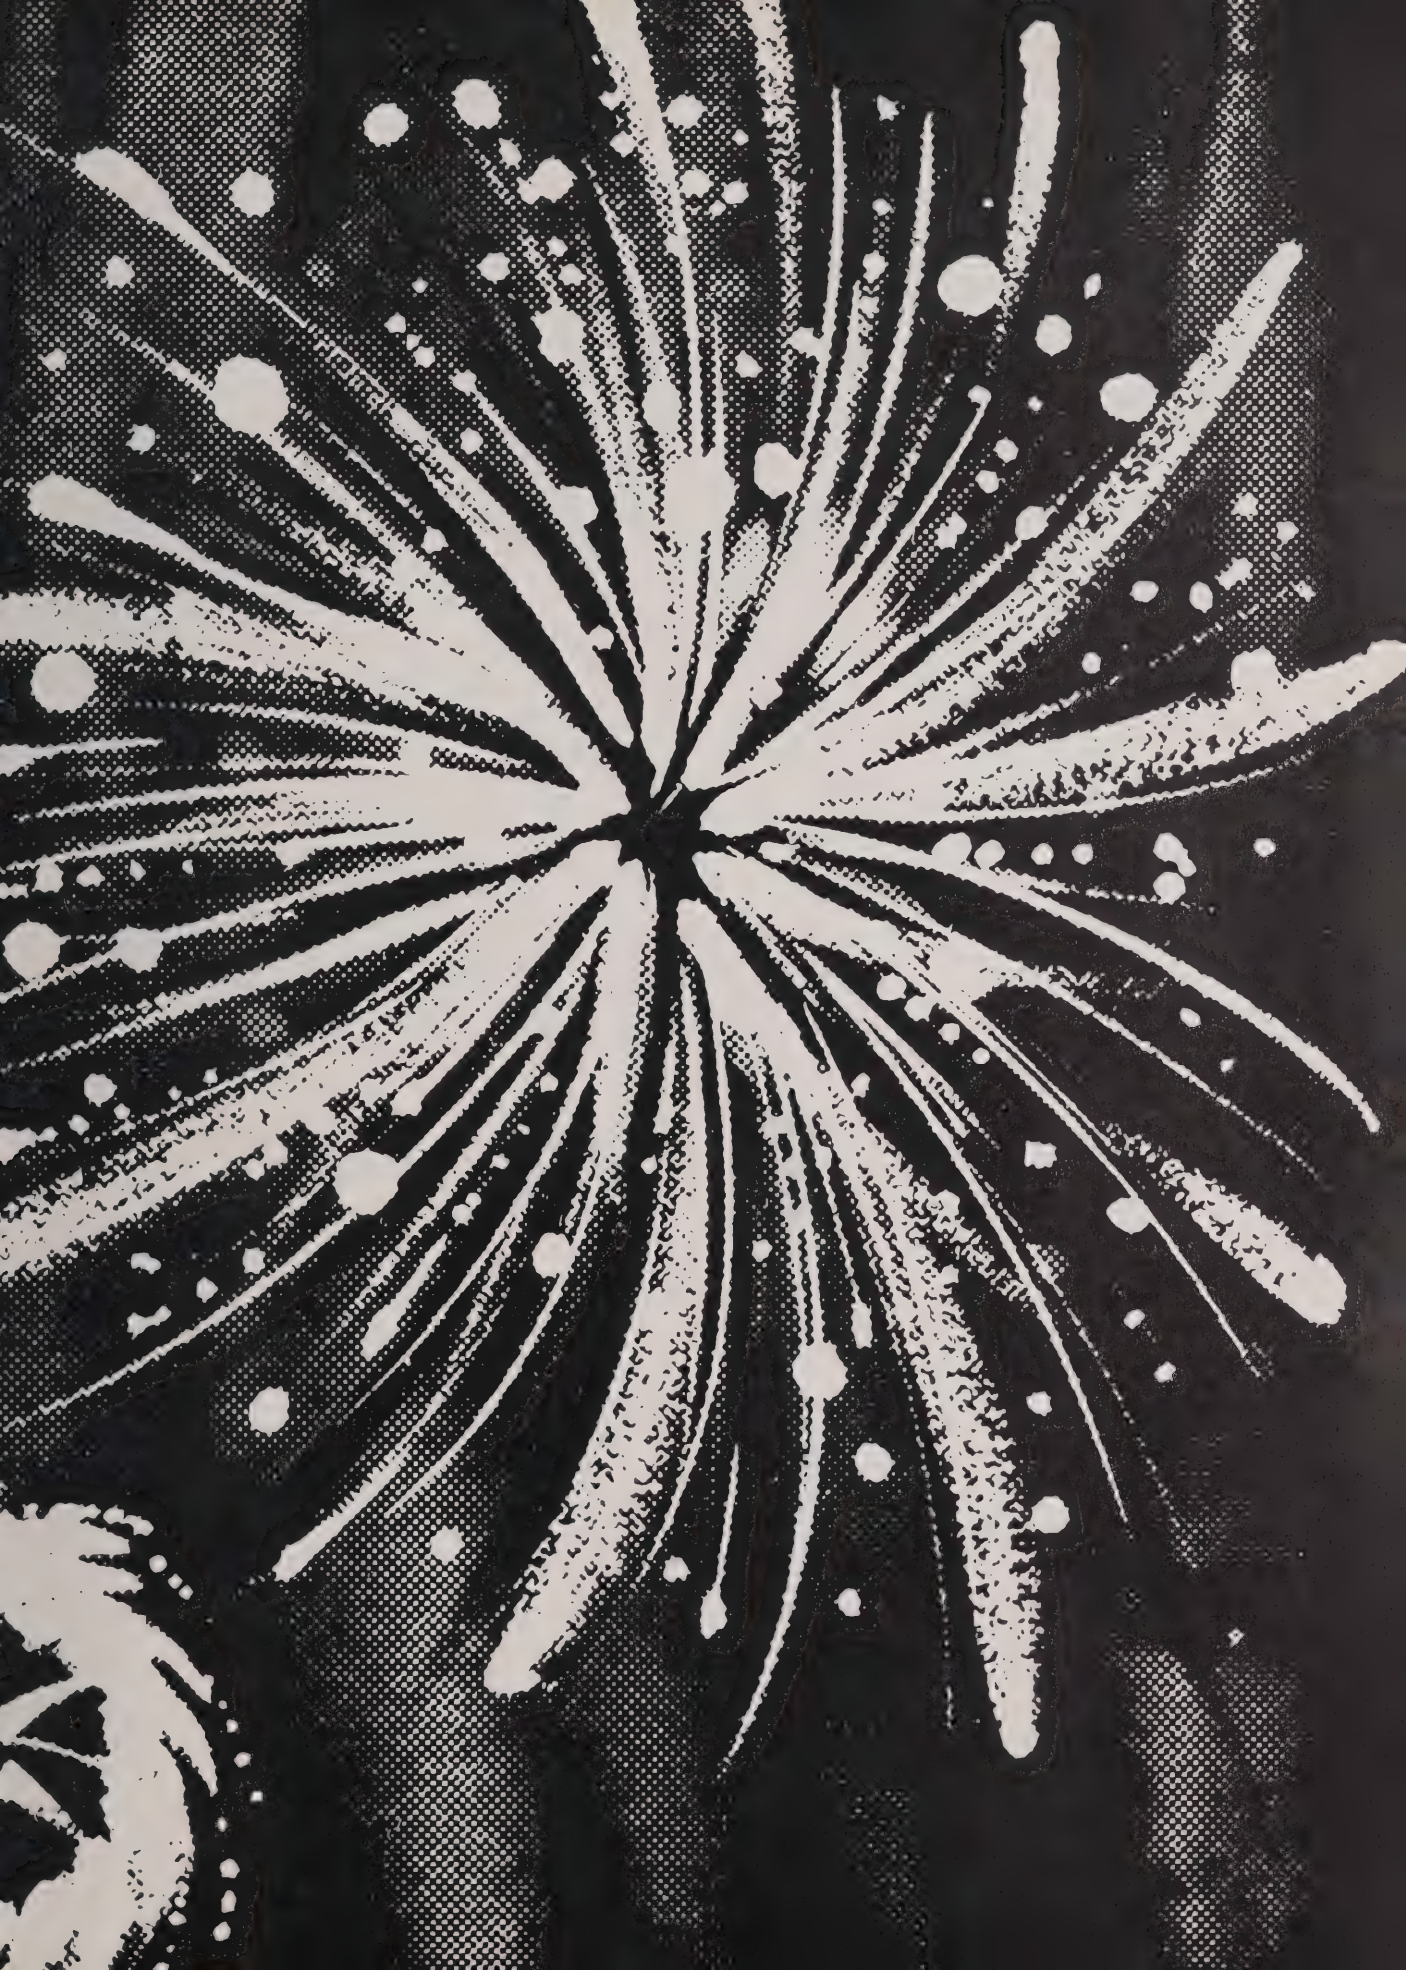
First hand observation of pre-school children and actual planning and participation in the play school program provides a laboratory environment for the further study of the development and interest of young children following the course in Child Care and Guidance required during the tenth grade.

The Play School laboratory here in our school was one of the very first to be included in a secondary school curriculum, and from its beginning it has continued to be increasingly popular among the parents of young children who appreciate the many advantages of attendance.

It is not unusual to have applications on file from the time the prospective pupil is one year old.

We, the individuals, haven't begun our duties, but we have gained knowledge to promote ourselves for higher standards of living.

ELECTIVES



Key Club

The Kiwanis Key Club is a school service club sponsored jointly by the Kiwanis International and Vocational High School. Its ultimate aim is to develop among male students a sense of responsibility toward their fellow man. It is the hope of the sponsoring agents that from these select young men, the community will derive its future leaders.

Among the many projects undertaken by the club are parties for the children of St. Mary's Home, entertainment for retarded children at Paul A. Dever School, school mascot and spirit, holiday safety campaigns, and various other school safety projects.

From these varied experiences the boys develop their sense of judgment, of responsibility and their character. They can surely be held as models to the familiar phrase — "Youth — Our Most Valuable Resource."

The Traffic Squad

The traffic squad officers: — Traffic chief — Jeannette Zager; Secretary — Sheila Dubay; Treasurer — Kathleen Gwozdz.

Floor Leaders: Jacqueline Gautreau, Evelyn Ferriera, Annette Merkman, Karen Easton, Maureen Gallagher, Gale Smith.

The special responsibility of the squad is to keep traffic in the Household Arts Department moving efficiently. There are 46 girls on the squad. Each is assigned to a different division: regular, cafeteria, locker room, and auditorium. Besides their particular responsibilities, the girls engage in two other activities. One is a fund raising activity and the other a field trip. This year the girls raised money to send to CARE. Plans for a field trip are made at the April meeting. Last year's trip was to Plymouth Plantations and the Mayflower II.

Honor Society

The honor society celebrates its sixth birthday this year. It is a service organization under national sponsorship. Our club's aim is to encourage high standards of scholarship, character, leadership and services to our school and community.

This years officers of the Honor Society are: — President—Wayne Lawrence; Vice President—Marion Macomber; Secretary—Diane Beaulieu; Treasurer—Doris Saulniers.

The Future Nurses Club

The Future Nurses Club, organized in 1958, has as its aim the grouping of pupils within a club to explore the field of nursing and allied fields of health.

Graduates of the school and former club members have become Registered and Practical Nurses, Dietitians, Laboratory Technicians and X-Ray Technicians.

The club meets on the second Monday of each month during the school year. The activities included a field trip to a neighboring hospital, a Christmas party given to the residents of the New Bedford Home for the Aged, and the successful completion of a sale of cosmetics to raise money for scholarships.

In 1965-66 the club has 35 members. The Club advisors are—Mrs. Mary E. Wobecky, R.N.; Mrs. Thelma M. Bagley, R.N.

The Officers for 1965-66 are:—Sheila Dubay—President; Linda Ferreira—Vice President; Joyce Burgo—Secretary; Eileen Fouquette—Treasurer.

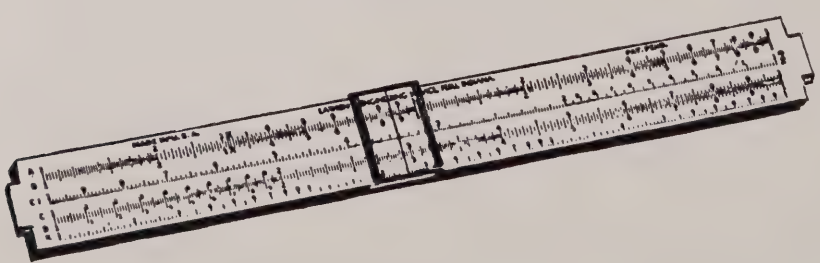
Slide Rule Club

The Slide Rule Club enables interested students to assemble and acquire the basic functions of the slide rule.

The club meets three days per week for nine weeks during the first quarter of the academic year.

This year's membership includes: R. Barrett, R. Leclaire, R. Coons, T. Baptiste, R. Piszark.

The more basic functions are taught by Mr. Duval and Mr. Neron. They consist of the following: multiplication, division, division and multiplication combined, squaring numbers, square roots, cubing numbers, cube roots, special 6 steps problems and trig functions.



Glee Club

The Glee Club, an organization whose membership includes Freshmen, Sophomores, Juniors, and Seniors, is now in its ninth year. Average membership in the club is thirty-five girls. Every Tuesday afternoon from 2:00 to 3:00 p.m., the girls meet for practice under the direction of Mr. Herbert H. Bowker.

The Glee Club performs at special assemblies throughout the school year.

Class History

Dear Diary:

Can you believe it? We are Freshmen; I guess you really wouldn't believe it if you saw the silly pranks we pulled or maybe you would. Well, enough of that, for we must get ready for the Freshman Dance which is put on for us by the Juniors. Our Queen at the dance turned out to be Doris Dauteuil; Catherine Alves and Pauline Boivin were her ladies in waiting. Well, how the year rolls on and in a sense, so do we.

Dear Diary:

We are Sophomores now and we seem to have developed some self-confidence. The year so far has been filled with little events and one in particular which the girls will all remember, the style show. It is always a pleasure to see the beautiful gowns the Seniors make, and we wonder if we will ever make it to our Senior year. The theme for the show this year was Chinese.

Dear Diary:

Upperclassmen at last! We are now Juniors and our class advisers are Mrs. Rodericks and Mr. Almeida. Of course class officers must be elected and they were; William Gonsalves, President; Catherine Alves, Vice-President; Kenneth Sylvia, Treasurer; and Muriel Messier, Secretary.

We first sponsored the Freshman Dance and this was followed by a visit to Boston and the Ice Follies.

Fire destroyed our auditorium and with it our prom plans. Everyone is in a whirl as to where it can be held. All is saved for it was held at last in the Kennedy Youth Center where the king was Kenneth Sylvia and his queen was Catherine Alves. In turn, her ladies in waiting were Theresa Jovin and Sheila Dubay. This third and very wonderful year is just ending with a planned Class Day at Cathedral Camp.

Dear Diary:

This is our final year for we are now Seniors. This year our advisers are Miss Cronin and Mr. Barrett. The class officers whom we elected are Kenneth Sylvia, President and Sheila Dubay as Vice-President. Paul LeBlanc was elected Treasurer and Mary Lou Boudreau as Secretary.

This year we worked together with the Juniors to put on the "Welcome Freshman Dance". In February our Sweetheart Ball proved to be a wonderful occasion. Soon after this we had the Senior Banquet and the girls had their trip to New York. Well, only too soon, the Senior Prom and the outing will be here, then graduation.

Dear Diary:

We all enjoyed our four years here and hope that everyone's future looks as bright as ours does.

Class Will

We, the members of the Senior Class of 1966 of New Bedford Vocational High School, part of the best student body in the whole Commonwealth of Massachusetts, being of sound mind, and memory, (no comments please) do hereby declare this to be our last will and testament:

We hereby bequeath the following:

To Mr. Janiak, our thanks to him for helping us to prove that New Bedford Vocational has the best student body in Mass. We would also like to express our deepest appreciation for his kindness and the always pleasant manner he has presented to us during our four years at Vocational.

To Mrs. Howland, our sincere thanks for the understanding and interest shown by her to each of us.

To the Faculty, we leave hoping you realize although we do not show it, we really appreciate the help you have given us during our four years at Voke.

To the under classmen, we leave the responsibility of proving to Mr. Janiak, Mrs. Howland, and the whole Commonwealth of Massachusetts that you are the best student body in the Commonwealth.
